

BUILD YOUR TEAM

1

INTRODUCTION

- Show the Pre-Olympic Qualification schools presentation
- Highlight the characteristics required

2

GROUP TASK

- Foster a conversation about what characteristics are required to be a successful team

4

DIFFERENTIATION

- Have children select a characteristic from the options outlined in the presentation

3

MAIN ACTIVITY:

- Use the Characteristics sheet to list all the characteristics discussed.
- Each child to select the most important characteristic to them, writing it in the box on the Build a Player sheet
- Have pupils design, colour and decorate their player
- Have pupils build their player, putting the whole class together to make a team.
- Discuss with the class the importance of multiple characteristics coming together.
