Welcome

We are excited to be welcoming you to our schools initiatives for the 2022/23 academic year at the National Ice Centre and to be able to provide this opportunity to more children year after year.

We've been delivering outstanding school ice skating experiences for children across Nottingham and the wider community for over ten years, providing opportunities for pupils to build resilience and improve their confidence.

The iconic National Ice Centre is located in the heart of Nottingham City Centre and is home to the Nottingham Panthers Ice Hockey Team and the Speed Skating Performance Programme, which includes Great Britain Speed Skater Niall Treacy.

THERE HAS NEVER BEEN A BETTER OPPORTUNITY TO INTEGRATE ICE SPORTS INTO YOUR CURRICULUM.

Through our fantastic partnerships with the Nottingham Panthers and the Speed Skating Performance Programme we will have a series of unique events for schools involved in our schools programme to inspire future generations and create lasting memories.

Thank you for taking the time to look through our initiatives, we look forward to working with you and your school to continue delivering successful schools ice skating initiatives.
